O R D E R :

In the reference first read above, Government have granted a Mining Lease for Limestone over an extent of 5.34 acres in Sy. No.60/2 of Ravirala (V), Jaggaiahpeta (M), Krishna District a period of (20) years in favour of Sri N. Parasuram and the Assistant Director of Mines & Geology, Krishna executed the lease on 01.10.1997.

2. In the reference second read above, the Director of Mines & Geology, Govt. of Andhra Pradesh, Hyderabad has submitted proposals for lapsing of the lease held by Sri N. Parasuram, under Rule 28(1) of Mineral Concession Rules, 1960 on the following grounds, for consideration of the Government:

1. The Mine is non-working since six years i.e. from the date of execution.
2. There are no boundary pillars seen around leased area. The lessee has not submitted monthly return and annual accounts so far.
3. The lessee could not operate the mine for a continuous period of two years.

3. Government after considering the report of the Director of Mines & Geology, Hyderabad, it was proposed to lapse the above mining lease held by Sri N. Parasuram and accordingly, a show cause notice was issued in the reference 3rd read above under rule 28 (1) of Mineral Concession Rules, 1960 as to why the Mining Lease held by him shall not be declared as lapsed, and submit his explanation/ representation within 15 days failing which it will be construed that he has no explanation/ representation on the action proposed and further action will be taken on the material available with the Government.

4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee.
